# FAQ PAGE!

## HOW DO I PREPARE FOR PSAT?

The best way to prepare for the PSAT is to take one of our SAT prep programs and to take a few practice PSAT near the test date (B2A provides unlimited practice tests).

PSAT is simply a shorter, and slightly easier, version of the SAT, so studying for SAT will help you ace both SAT and PSAT!

## SHOULD I TAKE THE ISEE OR SSAT?

Contact each school's admissions office to find out their policies and preferences. If a particular exam is required by a school, or if a school prefers one exam to the other, the decision is already made for you.

If the school does not have any preference, take an ISEE or SSAT diagnostic test to compare your scores on the two exams!

## WHAT IS THE NATIONAL MERIT SCHOLARSHIP?

Juniors across the nation have a chance at becoming a National Merit Scholarship recipient. They must score top 1% of the state on their junior year PSAT.

Students may qualify for up to full 4-year scholarships and can earn various merit scholarships at college they will apply.
