WHAT IS THE NATIONAL MERIT SCHOLARSHIP?

Juniors across the nation have a chance at becoming a National Merit Scholarship recipient. They must score top 1% of the state on their junior year PSAT.

Students may qualify for up to full 4-year scholarships and can earn various merit scholarships at college they will apply.

HOW DO I PREPARE FOR PSAT?

The best way to prepare for the PSAT is to take one of our SAT prep programs and to take a few practice PSAT near the test date (B2A provides unlimited practice tests).

PSAT is simply a shorter, and slightly easier, version of the SAT, so studying for SAT will help you ace both SAT and PSAT!

COLLEGE ACCEPTANCES & PERFECT SCORES

Read their success stories on our website and join Berkeley² Academy today to create your own legacy with us!

GLORIA SU
Admitted to 5 out of 8 Ivy League schools, including Harvard!

"Berkeley2 Academy has the wealth of resource. Through a little push, I increased my SAT scores allowing me to have a greater change in being admitted to the Ivies. The counselors also helped me to be productive and to be on top of things, which was really helpful."

JASON ZHAO
Stanford University

"One of the reasons I loved B2A's Gateway program was that it offered me a counselor who worked with me one-on-one, learned my personality, and guided (though never forced) me through the application process. My counselor knew me well enough to tell me that certain phrases in my essays "weren't Jason," or that I needed to add a certain "Jason touch" to a paragraph or two."

STEPHEN CHAO
Princeton University

"Berkeley2 Academy's SAT prep and ACT prep programs do a really great job of consolidating what you need to know and what you need to do to score higher on the SAT and the ACT. The instructors are very nice and accommodating. They genuinely want their students to succeed and improve their SAT or ACT scores."

HONG BUI
Yale University

"At Berkeley2 Academy, I found myself surrounded by many other high-achieving students. The atmosphere in the SAT prep classes is very academically motivating, and although it can be intimidating, students should not be discouraged about their ability to achieve their academic goals. The staff is awesome at making sure students have all the necessary resources needed to succeed."
