HOW DO I PREPARE FOR PSAT?

The best way to prepare for the PSAT is to take one of our SAT prep programs and to take a few practice PSAT near the test date (B2A provides unlimited practice tests).

PSAT is simply a shorter, and slightly easier, version of the SAT, so studying for SAT will help you ace both SAT and PSAT!

SHOULD I TAKE THE ISEE OR SSAT?

Contact each school's admissions office to find out their policies and preferences. If a particular exam is required by a school, or if a school prefers one exam to the other, the decision is already made for you.

If the school does not have any preference, take an ISEE or SSAT diagnostic test to compare your scores on the two exams!

WHAT IS THE NATIONAL MERIT SCHOLARSHIP?

Juniors across the nation have a chance at becoming a National Merit Scholarship recipient. They must score top 1% of the state on their junior year PSAT.

Students may qualify for up to full 4-year scholarships and can earn various merit scholarships at college they will apply.

WONDERING WHICH B2A PROGRAMS ARE RIGHT FOR YOU?

Schedule your free diagnostic test and consultation today!

We will not only make a suggestion based on your student's unique needs, but we will also assess your student's stats to advise you on how to best prepare for college admissions.

ASHNAS.
Rice University

"Berkeley2 Academy was an incredible tool in guiding me in writing my essays. Their writing tips pushed me to search what qualities defined me and integrate these qualities throughout my essays and stories. With one-on-one mentorship, I felt comfortable with diving deep into my stories to write my essays and receiving constructive criticism. They showed me how to tie together my experiences and passions in a way that showed colleges exactly who I was in a unique way. Their organized schedule made sure I stayed on task and worked efficiently, and they provided many resources to support me."

JASON Z.
Stanford University

"One of the reasons I loved B2A's Gateway program was that it offered me a counselor who worked with me one-on-one, learned my personality, and guided (though never forced) me through the application process. My counselor knew me well enough to tell me that certain phrases in my essays "weren't Jason," or that I needed to add a certain "Jason touch" to a paragraph or two."

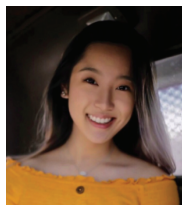

GLORIA S.
**Admitted to 5 out of 8 Ivy League schools,
including Harvard!**

"Berkeley2 Academy has the wealth of resource. Through a little push, I increased my SAT scores allowing me to have a greater change in being admitted to the Ivies. The counselors also helped me to be productive and to be on top of things, which was really helpful."

LIAM F.
Baylor-Baylor BSMD

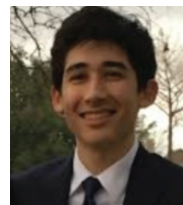

"I really appreciate the instruction I received from the teachers at Berkeley2 Academy. The SAT prep classes, tutoring, and advice helped me in the college application process. I would recommend Berkeley2 Academy to students who want to achieve their academic goals."
