PERFECT SCORES & TESTIMONIALS

Read their success stories on our website, and join Berkeley² Academy today to create your own legacy with us!

ASHNA SHAH
Rice University

"Berkeley2 Academy was an incredible tool in guiding me in writing my essays. Their writing tips pushed me to search what qualities defined me and integrate these qualities throughout my essays and stories. With one-on-one mentorship, I felt comfortable with diving deep into my stories to write my essays and receiving constructive criticism. They showed me how to tie together my experiences and passions in a way that showed colleges exactly who I was in a unique way. Their organized schedule made sure I stayed on task and worked efficiently, and they provided many resources to support me."

JASON ZHAO
Stanford University

"One of the reasons I loved B2A's Gateway program was that it offered me a counselor who worked with me one-on-one, learned my personality, and guided (though never forced) me through the application process. My counselor knew me well enough to tell me that certain phrases in my essays "weren't Jason," or that I needed to add a certain "Jason touch" to a paragraph or two."

GLORIA SU
Admitted to 5 out of 8 Ivy League schools, including Harvard!

"Berkeley2 Academy has the wealth of resource. Through a little push, I increased my SAT scores allowing me to have a greater change in being admitted to the Ivies. The counselors also helped me to be productive and to be on top of things, which was really helpful."

LIAM FERREIRA
Baylor-Baylor BSMD

"I really appreciate the instruction I received from the teachers at Berkeley2 Academy. The SAT prep classes, tutoring, and advice helped me in the college application process. I would recommend Berkeley2 Academy to students who want to achieve their academic goals."
